Autumn 2 Week 8

We would like to say a massive well done to all the children for completing their first full term in Nursery! We are very proud of the progress each child has made and it has been lovely getting to know each and every one of them and you as their parents. Thank you for all of your support throughout this term.

We hope you have a fun and safe time off with your families. Don't forget to keep us up to date with all your holiday fun by uploading to our Tapestry account!

Please may we ask that you take the time to like and comment on some of your children's observations from the term. They really love when we share what you have said about their learning.
